

# Disney Pre-Audition Feedback

(Note: This is optional and NOT your official audition)

If you are applying and auditioning for the 2024 Disney Dance Trip, we welcome you to pre-audition. This is something that a lot of students will find VERY beneficial.

What does it mean?

- Film yourself dancing as if you are auditioning in person.
  - Ensure to follow the conditions laid out in the Disney info pack. Eg. max of 1 minute. Showcase levels, skill, energy, etc.
  - Have someone film you from in front or have the camera facing you so we can see your facial expressions.
- Email Deb the footage to [info@backstreetdance.com.au](mailto:info@backstreetdance.com.au) (not text only email please).
- Do so as soon as possible ie. During Term 2 and Term 3.
- Receive feedback within 5 business days (emailed back to you).
- Implement the feedback.
  - This will give you a chance to implement the feedback while you are dancing in your own classes.

You can continue this process 2-3 times if you wish to ensure you are progressing with implementing the feedback. Deb would be happy to support you in being the best version of a dancer you can be so you are more prepared to audition for the Disney trip and ultimately perform at Disneyworld: An experience you will always remember!!

Any questions, please direct to Deb via text, email or call during school hours.

Thankyou 😊
